D G A D Bm G A

VERSE I

I will love You and praise You
All the days of my life
I will not faint, Until the day
The day you'll come

I will love You and praise You
All the days of my life
I will not faint, Until the day
The day you'll come

CHORUS I

You are God in heaven and earth
Your love endures forever
You are God defender of the weak
A provider in times of need
You are worthy to be praised

VERSE II

When I walk through the valley
In the shadow of darkness
I will not fear, But trust in You
Because You are there
When I walk through the valley
In the shadow of darkness
I will not fear, But trust in You
Because You are there

CHORUS II

You are God in heaven and earth
Your love endures forever
You are God defender of the weak

A provider in times of need
You are worthy to be praised

CHORUS III

You are God in heaven and earth
Your love endures forever
You are God defender of the weak
A provider in times of need
You are worthy to be praised

FADE

You are worthy to be praised
You are worthy...to..be..praised!
